

KLORIMAX™

Cleaning & Hygiene PRODUCT CATALOGUE 2026

About Us

Klorimax™

Klorimax™, a proud brand of HMC (Hermes Minerals and Chemicals), delivers innovative, eco-friendly solutions for hygiene, water treatment, and industrial cleaning. Powered by bio-mimicry and bioformulation technologies, our solutions outperform traditional chemicals—helping businesses work smarter, cut costs, and maintain the highest standards of cleanliness.

What We Do-

- » **Industrial & Institutional** - Nature-inspired cleaning and maintenance for efficiency and compliance.
- » **Hospitality & Healthcare** - High-performance sanitation for hotels, hospitals, and care facilities.
- » **Foodservice & Processing** - Specialized hygiene and safety for kitchens and food production.
- » **Industrial Water Treatment** - Advanced greener formulations for recirculation water, scaling, corrosion, and wastewater management.
- » **Commercial Laundry** - Smart, sustainable cleaning for large-scale operations.

We go beyond products—we're your partner. Through on-site demos and expert support, we help you optimize operations and create cleaner, safer spaces.

At HMC, we believe in solutions as smart as they are sustainable. Let's build a cleaner, more efficient future together.

Klorimax™ features a clear icon system with color-coded labels to ensure quick recognition and safer usage across industries. Taking cues from global labeling standards like AISE pictograms and structured labeling approaches, our system helps users easily identify the right product for the right application, minimizing errors and enhancing efficiency.

Icon Reference

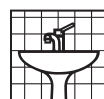

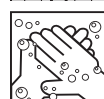

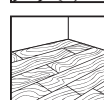

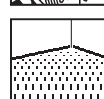

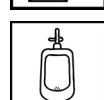

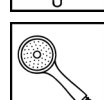

Primary Area Of Use:

-  For Desks And General Workspace Areas
-  For General Hard Floor Areas
-  For General Housekeeping Areas
-  For Washroom and Toilet
-  For Kitchen and Food Processing Areas
-  For Laundry Areas
-  For Swimming Pools And Water

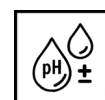

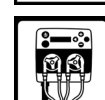

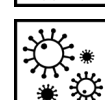

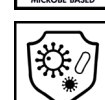

Application Method A.I.S.E Pictogram :

-  Bucket Method
-  Scrubber Dryer
-  Single Disc Machine
-  Floor Mop Microfiber

-  Spray Extraction
-  Spray and Wipe
-  Floor Wax
-  Floor Mop Traditional
-  Window & Glass Surface Cleaning
-  For foam Spray
-  For Spray High Pressure
-  Stairways and Lift
-  Machine Dishwashing
-  Machine Rinsing
-  Soaking
-  Manual Dishwashing
-  Stainless Steel & Surface

-  Descaling
-  Sink & Tap Clean
-  Handwashing
-  Rug Clean
-  For Toilet Bowl Clean
-  Drain & Pipe Unplug
-  For Wood Floor
-  Oven and grill Clean
-  Disinfection
-  Carpet Clean and Prespotter
-  For PreTreatment Prespotter
-  For Use In Urinals
-  Bathroom Fixtures

Product Features:

-  Anti Static Technology
-  pH Neutral Formulation
-  Non Chlorine Bleach
-  Odour Neutraliser
-  Fragrance Free Formulation
-  Highly Perfumed Formula
-  Machine dosing friendly
-  Chlorine Based
-  Beneficial Enzyme Technology
-  Disinfecting Properties
-  Easy Spray and Wipe Application
-  Virucidal Disinfectant

KLORIMAX™ – Advanced Cleaning Solutions

KLORIMAX™ product range is designed to deliver exceptional cleaning results while prioritizing environmental responsibility. Formulated to meet the demands of professional kitchens, washrooms, and housekeeping operations, KLORIMAX™ products ensure the highest standards of hygiene and cleanliness. Each solution is developed with advanced cleaning technologies and environmentally considerate ingredients, offering effective performance while reducing ecological impact.

A person in a dark uniform is shown from the chest up. Their face is wet with water droplets. They are holding a clear spray bottle with a blue liquid and an orange nozzle in their right hand, and a large, folded orange cloth in their left hand. The background is dark and out of focus.

KLORIMAX™

Clean Different Redefining Cleaning

Powered by BioSolution: Clean Faster, Stay
Gleaming Longer, and Make Future Cleaning
Effortless.

Klorimax™ Glass Cleaner

KC-GC30001

Concentrated solution for streak-free cleaner for glass, mirrors, and stainless steel.

CASE SIZE - 2X5 L

- Streak-free cleaning for glass, mirrors, and stainless steel
- Removes grease films, smoke residue, and soil
- Anti-static formula reduces dust attraction
- Fast-drying for crystal clear finish

Klorimax™ Furniture Polish

KC-FP40001

Surface polish designed to restore gloss and protect furniture finishes.

CASE SIZE - 2X5 L

- Enhances gloss on vinyl, leather, plastic, and rubber
- Removes fingerprints, smudges, and oil marks
- Leaves streak-free finish
- Water-based low-VOC formulation

Klorimax™ Floor Cleaner Low Foam

KC-FC20001

Low-foaming commercial floor cleaner designed for routine maintenance of hard surfaces.

CASE SIZE - 2X5 L

- No-rinse formula leaves no dulling residue
- Suitable for mop bucket or scrubber dryer application
- Concentrated heavy-duty cleaning formulation
- Maintains floor shine and durability

Klorimax™ Room Freshener & Odor Neutralizer

KC-RF50001

Heavy-duty deodorizer designed to neutralize persistent odors in indoor environments.

CASE SIZE - 2X5 L

- Advanced odor counteractant technology
- Long-lasting fragrance performance
- Maintains fresh indoor environment
- Formulated with responsible ingredients

Klorimax™ Carpet Cleaner

KC-CPT10011

Eco-friendly cleaner designed for deep stain removal from carpets and multiple surfaces.

CASE SIZE - 2X5 L

- Removes coffee, tea, rust, grease, and dirt stains
- Citrus solvent and emulsifier cleaning system
- Effective with minimal dwell time
- Suitable for carpets and hard surfaces

Klorimax™ Multi-Purpose Bathroom Cleaner

KC-MPC90001

Mild alkaline cleaner formulated for bathroom surfaces and general sanitation.

CASE SIZE - 2X5 L

- Removes soap scum, hard water deposits, and grime
- Suitable for tiles, sinks, tubs, and restroom surfaces
- Leaves streak-free fresh finish
- Effective general cleaning performance

KLORIMAX™

Make the Right Impression

Maldors create an unclean impression—
eliminate them at the source with a
powerful bioactive blend.

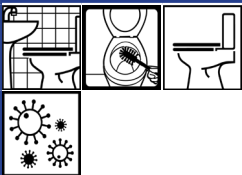

Klorimax™ Toilet Cleaner & Disinfectant

KC-TC60001

High-active acidic toilet cleaner with strong descaling and disinfecting action.

CASE SIZE - 2X5 L

- Removes limescale and mineral deposits
- Clinging formula for deep cleaning
- Disinfects and eliminates microbes
- Safe for porcelain, ceramic, stainless steel, and chrome

Klorimax™ Floor Cleaner Concentrate

KC-FCC70001

pH-neutral floor cleaner designed for routine cleaning of finished floors in commercial spaces.

CASE SIZE - 2X5 L

- Ultra-low foaming for scrubber machines
- Rinse-free cleaning without film or haze
- Effective for high-traffic floor soil
- Suitable for multiple floor surfaces

Klorimax™ Cleaner Cum Sanitizer

KC-CSC10010

Multipurpose cleaner providing cleaning and hygienic surface care.

CASE SIZE - 2X5 L

- Removes grease and surface soil
- Supports hygienic cleaning practices
- Suitable for food preparation areas

Klorimax™ Bathroom Cleaner & Disinfectant

KC-BCD10001

Disinfecting cleaner designed for bathroom fixtures and hard surfaces.

CASE SIZE - 2X5 L

- Removes watermarks and mineral deposits
- Helps maintain hygienic bathroom surfaces
- Suitable for sinks, tiles and fittings

Klorimax™ Descaler

KC-DSX80001

High-performance descaler for removing limescale and mineral deposits from equipment.

CASE SIZE - 2X5 L

- Removes hard water scale and deposits
- Suitable for kettles and dishwashers
- Safe for stainless steel and chrome
- Helps extend equipment life

Klorimax™ Rust & Scale Cleaner

KC-RSC10010

Formulated to deliver performance even in complex problems of rust and scaling.

CASE SIZE - 2X5 L

- Removes scale and rust from fixtures
- Safe for tiles, sinks and fixtures
- Develop invisible barrier to prevent scale

KLORIMAX™

Clean with Confidence

A Spotless Shine, Less Scrubbing,
Greater Satisfaction.

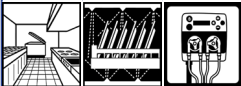

Klorimax™ KD ADW-Ultra

KTC-KDA20001

Heavy-duty automatic dishwashing detergent with integrated rinse support. Suitable for dishwash machines.

CASE SIZE - 2X5 L

- Removes grease, starch, and protein soils
- Prevents corrosion and scale spots
- Effective in all water conditions
- Chlorine-free eco-friendly formulation

Klorimax™ KD-E.1 Light Duty Dishwash

KTC-KDE10001

pH-neutral detergent for routine manual dishwashing and general cleaning.

CASE SIZE - 2X5 L

- Suitable for crockery, glassware, and utensils
- Safe for stainless steel equipment
- Versatile cleaning for kitchen surfaces
- Gentle formulation for daily use

Klorimax™ KD-1.1 Heavy Duty Dishwash

KTC-KDH10011

Enzyme-based high-strength detergent for manual cleaning of heavily soiled utensils. Ideal for pan and pot.

CASE SIZE - 2X5 L

- Cuts through grease and baked-on soils
- Long-lasting suds for extended cleaning
- Suitable for pots, pans, and kitchenware
- Effective cleaning with minimal scrubbing, Ideal for 3-compartment sinks

**Klorimax™ Multi-Quat Sanitizer
SAN-Q**

KTC-MQS80001

Sanitizing formulation for food contact surfaces and utensils.

CASE SIZE - 2X5 L

- Sanitizes utensils, dishes, and kitchen equipment
- Suitable for three-compartment sink systems
- Effective against various microorganisms
- Low-alcohol formulation for safer handling

Klorimax™ Oven & Grill Cleaner

KTC-KDOGC40001

Clinging degreaser formulated for ovens, grills, and heavy kitchen equipment.

CASE SIZE - 2X5 L

- Removes burnt-on grease and carbon deposits
- Clinging gel for vertical surfaces
- Suitable for ovens, grills, vents, and broilers
- Eco-friendly surfactant cleaning system

Klorimax™ Rinse Ultra RA5

KTC-KDRN50005

High-performance rinse additive for dishwash and glasswash machines ensuring rapid drying and spotless finish.

CASE SIZE - 2X5 L

- Prevents spotting and streaking on crockery and glassware
- Low-foam formulation for machine operation
- Works in soft and hard water conditions
- Compatible with automatic dosing systems

A professional kitchen with stainless steel counters, carts, and ceiling-mounted cleaning equipment. The kitchen is clean and organized, with various pieces of equipment and carts visible. The ceiling features long fluorescent light fixtures and several orange and white cleaning devices hanging from the ceiling. The overall atmosphere is bright and professional.

FLORIMAX™

Keep Your Kitchen Running Smoothly

High-performance cleaning and
sanitizing solutions backed by
unmatched service.

Klorimax™ Stainless Steel Polish

KTC-SSP50001

Cleaner and polish designed for stainless steel equipment and surfaces.

CASE SIZE - 2X5 L

- Leaves smooth streak-free finish
- Protects surfaces and extends equipment life
- Repels grease and water marks
- Non-perfumed formulation

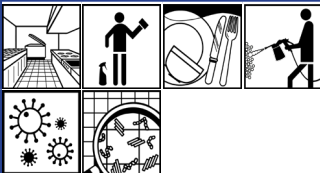

Klorimax™ Multi-Quat Sanitizer

KTC-MQTS110001

Quaternary ammonium sanitizer for utensils and food contact surfaces.

CASE SIZE - 2X5 L

- Effective antimicrobial sanitation
- Suitable for utensils, equipment, and gloves
- Supports hygienic kitchen operations
- Reduces cleaning and sanitizing time

Klorimax™ Grease/Drain Trap Manager

KTC-GDC100001

Microbial formulation designed for grease trap maintenance and drain management.

CASE SIZE - 2X5 L

- Breaks down fats, oils, grease, and food waste
- Prevents drain blockages
- Controls odor formation
- Supports continuous grease degradation

A close-up photograph of a hand reaching into a washing machine. The machine is filled with a large pile of bright blue linens. A single white garment is being pulled out from the top of the pile. The washing machine's drum and door are visible, and the background is slightly blurred, showing a clean, industrial setting.

KLORIMAX™

Low temperature wash

**Achieve Unmatched Results with
Biological Chemistry – Clean, Fresh,
and Sparkling White Linen, Even at Low
Temps, While Cutting Operating Costs.**

**Klorimax™ Biological Laundry Detergent
Tareget Swipe**

LDC-TGS10001

TargetSwipe biological detergent designed for commercial laundry, providing strong stain removal performance even at low washing temperatures.

CASE SIZE - 2X5, 50 L

- Cold wash suitable for energy-efficient cleaning
- Effective removal of protein stains and soils
- Works in all water conditions
- Compatible with auto-dosing pump systems

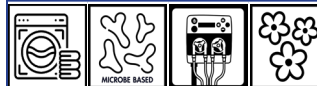

**Klorimax™ Concentrated Laundry Fabric
Conditioner Kmax Soft**

LDC-SFTC20001

Biological fabric conditioner formulated to maintain linen softness, enhance freshness, and preserve fabric quality.

CASE SIZE - 2X5, 50 L

- Provides excellent softness and smooth fabric feel
- Anti-static action reduces lint attraction and static buildup
- Helps prevent greying and maintains fabric brightness
- Improves fabric longevity and makes ironing easier

**Klorimax™ ProSolv
Booster Detergent**

LDC-PRS10001

Concentrated laundry booster detergent offers powerful cleaning in all temperatures and will give improved wash results and helps remove heavy greasy and oily stain on all fabrics.

CASE SIZE - 2X5, 50 L

- Used in conjunction with laundry detergents to improve the wash performance.
- Helps remove heavy greasy and oily stains on all fabric.
- Effective at removing grease, fats and proteinaceous stains.
- Maintains fabric brightness and overall wash quality

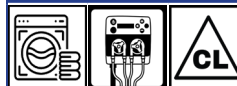

**Klorimax™ Hypo Chlorinated Bleach
Kmax hypo**

LDC-HYC30001

Kmax Hypo destainer is a concentrated liquid destainer that improves the overall laundry cleaning performance at low temperatures suitable for white color fabric.

CASE SIZE - 2X5,50 L

- Strong stain removal and fabric whitening
- Preserves fabric strength during bleaching
- Restores brightness and removes dullness
- Liquid formulation suitable for dosing systems

**Klorimax™ Color Safe Oxy Bleach
Kmax Oxy**

LDC-HYO40001

Oxygen-based color-safe bleach designed for stain removal without damaging colored fabrics.

CASE SIZE - 2X5, 50 L

- Effective antimicrobial sanitation
- Suitable for utensils, equipment, and gloves
- Supports hygienic kitchen operations
- Reduces cleaning and sanitizing time

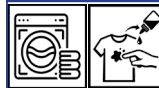

Klorimax™ Pre Spotter

LDC-PST60001

Heavy-duty pre-spotting stain remover formulated to treat stubborn stains before washing, improving overall wash performance.

CASE SIZE - 1, 2X5 L

- Removes lipstick, ink, sunscreen, and protein stains
- Chelant-based stain removal system
- Ready-to-use fast acting formulation
- Petro-solvent-free composition

Hygiene You Trust.

Achieve cleaner, softer, and fresher linens with advanced conditioning technology enhancing hygiene, improving softness, and protecting fabrics wash after wash.

Klorimax™ Prespotter Ultra PST Ultra

KC-BCD10001

Multi-purpose heavy-duty stain remover developed for demanding laundry operations. Its deep-penetrating formula effectively removes stubborn stains such as lipstick, blood, ink, and similar soils.

CASE SIZE - 1, 2X5 L

- Removes difficult stains including cosmetics, ink, and protein soils
- Deep-penetrating formula improves stain breakdown before washing
- Suitable for commercial and institutional laundry environments
- Enhances overall washing efficiency and reduces rewash

Klorimax™ Laundry Sanitiser

LDC-SAN50001

Multi-quat based laundry disinfectant designed to sanitize and deodorize linens while maintaining hygiene standards in institutional laundry operations.

CASE SIZE - 2X5 L

- Broad-spectrum antimicrobial sanitization
- Helps reduce cross-contamination risks
- Deodorizes and refreshes linens
- Low-foaming formulation suitable for dosing pumps

A high-angle, close-up photograph of a swimming pool's edge. The water is a vibrant, clear blue. A curved, polished stainless steel handrail runs along the edge of the pool, reflecting the light. The pool deck is made of light-colored, square tiles with dark grout. The overall scene is clean and bright, suggesting a well-maintained and sparkling pool.

KLORIMAX™

Sparkling Waters, Every Time

Nothing says 'welcome' like a crystal-clear pool or spa—effortlessly clean and always ready for your next splash.

Klorimax™ AlgaeClear 2125 BP

PLC-ALC0025

Algaecide formulation designed to control algae growth and maintain clean and clear swimming pool water.

CASE SIZE - 2X5, 50 L

- Prevents algae formation in pool systems
- Maintains water clarity and hygiene
- Suitable for routine pool maintenance
- Effective in various pool environments

Klorimax™ Pool Clarifier 4750

PLC-CFCA50002

Dual-action pool clarifier designed to quickly restore clarity in cloudy or dull pool water while improving filtration efficiency.

CASE SIZE - 2X5, 50 L

- Removes suspended debris and dead algae
- Improves filter efficiency and overall water clarity
- Compatible with all swimming pool systems
- Works effectively with coagulants such as PAC or ferric/alum systems for enhanced clarification

Klorimax™ Pool Clear 2050

PLC-CFC60001

Swimming Pool Coagulant is a powerful solution to maintain sparkling, clean pool water. This advanced formula works by neutralizing microscopic particles.

CASE SIZE - 2X5, 50 L

- Rapid flocculation of suspended solids and organic debris
- Improves filtration efficiency and reduces filter load
- Restores clear, sparkling pool water quickly
- Compatible with common coagulants such as PAC, ferric salts, and alum

Klorimax™ CLOR Granular Chlorine

PLC-CALC720001

Calcium hypochlorite chlorine treatment used for pool sanitation and algae control.

CASE SIZE - 2X5, 50 KG

- Kills bacteria and algae quickly
- Suitable for daily chlorination or shock treatment
- Stabilizer-free chlorine formulation
- Helps maintain clear and hygienic water

Klorimax™ Stabilised Granular Pool Chlorine TCCA90

PLC-TCCA900001

High-strength stabilized chlorine formulation designed for long-lasting disinfection in swimming pools.

CASE SIZE - 2X5, 50 KG

- 90% available chlorine content
- Slow dissolving for sustained sanitization
- Controls algae and bacteria growth
- UV-stable chlorine reducing sunlight loss

Klorimax™ Acti pH Increaser

PLC-PHP10001

Granular formulation designed to raise pH levels in swimming pools and spas to maintain balanced water chemistry.

CASE SIZE - 2X5, 50 KG

- Quickly increases pH in acidic water
- Fast dissolving granular formula
- Suitable for pools and spa systems
- Safe for all pool linings

KLORIMAX™

Stain-Free Water, Lasting Shine

Nothing welcomes swimmers like a spotless pool—free from stains and scale, keeping surfaces smooth, water clear, and equipment protected for longer life.

Klorimax™ Acti pH Decreaser

PLC-PHM10001

pH reducer formulated to decrease alkalinity and maintain optimal pool water balance.

CASE SIZE - 2X5, 50 L

- Lowers pH and total alkalinity
- Improves chlorine effectiveness
- Prevents scaling and staining
- Residue-free granular formulation

Klorimax™ ScaleGuard Liquid

PLC-ASL10100

· Helps prevent scale deposits at the water line, and in the filtration system

CASE SIZE - 2X5, 50 L

- Phosphate-free formulation for safer pool chemistry
- Does not significantly alter the pH of treated water
- Helps prevent mineral and metal deposits on pool surfaces
- Compatible with all filtration systems and common pool treatments

Klorimax™ METALSTOP - Liquid

PLC-ASC10101

Liquid metal sequestrant designed to control dissolved metals and prevent scale formation in swimming pools.

CASE SIZE - 2X5, 50 L

- Sequesters dissolved metals such as iron, copper, and manganese to prevent staining
- Helps prevent limescale and mineral scale deposits on pool surfaces and equipment
- Phosphate-free formulation that does not significantly alter pool water pH
- Compatible with PHMB systems and all common pool filtration systems

Protect Your Business. Prioritize Safety. Keep Customers Confident.
