About Us

Klorimax™

Klorimax™, a proud brand of HMC (Hermes Minerals and Chemicals), delivers innovative, eco-friendly solutions for hygiene, water treatment, and industrial cleaning. Powered by bio-mimicry and bioformulation technologies, our solutions outperform traditional chemicals—helping businesses work smarter, cut costs, and maintain the highest standards of cleanliness.

What We Do-

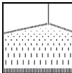

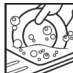

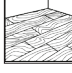

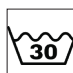

- » **Industrial & Institutional** – Nature-inspired cleaning and maintenance for efficiency and compliance.
- » **Hospitality & Healthcare** – High-performance sanitation for hotels, hospitals, and care facilities.
- » **Foodservice & Processing** – Specialized hygiene and safety for kitchens and food production.
- » **Industrial Water Treatment** – Advanced greener formulations for recirculation water, scaling, corrosion, and wastewater management.
- » **Commercial Laundry** – Smart, sustainable cleaning for large-scale operations.

We go beyond products—we're your partner. Through on-site demos and expert support, we help you optimize operations and create cleaner, safer spaces.

At HMC, we believe in solutions as smart as they are sustainable. Let's build a cleaner, more efficient future together.

Klorimax™ features a clear icon system with color-coded labels to ensure quick recognition and safer usage across industries. Taking cues from global labeling standards like AISE pictograms and structured labeling approaches, our system helps users easily identify the right product for the right application, minimizing errors and enhancing efficiency.

A person wearing a dark suit is shown from the chest up. They are holding a clear glass spray bottle with a blue liquid inside and an orange spray nozzle in their right hand. In their left hand, they are holding a large, folded orange microfiber cloth. The background is dark and out of focus. The overall scene suggests a professional cleaning or maintenance activity.

KLORIMAX™

Clean Different Redefining Cleaning

**Powered by BioSolution: Clean
Faster, Stay Gleaming Longer, and
Make Future Cleaning Effortless.**

Klorimax™ Glass Cleaner

KC3-5L-IN

KC-3 Glass & Multi-Surface Cleaner is an eco-friendly, anti-static formula designed for glass, mirrors, and stainless steel. Its concentrated blend delivers streak-free, smear-free cleaning for a crystal-clear shine.

- Heavy-duty, non-ammoniated formula removes soils, smoke, and grease films.
- Effectively cleans glass, mirrors, windows, Plexiglas, marble, and plastic.
- Fast-drying, streak-free finish for a crystal-clear shine.
- Eco-friendly, anti-static, and concentrated for efficient cleaning.

CASE SIZE - 2X5 L

Klorimax™ Multi-Purpose Bathroom Cleaner

KC9-5L-IN

KC-9 Multipurpose Bathroom Cleaner is a non-abrasive, mild alkaline formula that removes soap scum, hard water deposits, and grime, leaving a streak-free, fresh finish on tiles, sinks, tubs, and restroom surfaces.

- General cleaning and degreasing.
- Effectively removes soap scum, scale, and grime from hard surfaces and equipment.
- Use on walls, floors, countertops, equipment, chrome, fixtures, tile, sinks, shower doors, and tubs.
- Eco-friendly and powerful cleaning action ensures a hygienic, residue-free finish.

CASE SIZE - 2X5 L

Klorimax™ Furniture Polish

KC4-5L-IN

KC-4 Furniture Polish cleans, polishes, and enhances the gloss of furniture, vinyl, leather, plastic, and rubber. It resists smears and fingerprints, leaving a streak-free shine with a lemon scent. Low VOC, water-based formula.

- Rich polish blend provides a lustrous shine and protection.
- Removes fingerprints, smudges, and oil marks without residue.
- Ready-to-use formula, safe for furniture and hardwood surfaces.
- Leaves a fresh lemon scent for a clean finish.

CASE SIZE - 2X5 L

Klorimax™ Room Freshener & Odor Neutralizer

KC5-5L-IN

Klorimax™ KC-5 Room Refresher is a heavy-duty air freshener and deodorizer, with long-lasting odor control, keeping spaces fresh for hours under normal conditions.

- Advanced odor counteractant technology absorbs and eliminates odors.
- Effective, long-lasting fragrance for a fresh environment.
- Formulated with responsible ingredients for safety and compliance.

CASE SIZE - 2X5 L

Klorimax™ Floor Cleaner Low Foam

KC2-5L-IN

KC-2 Floor Cleaner is a no-rinse, low-foaming formula designed for commercial use on various hard surfaces. It won't harm floors or leave soapy residue, preserving shine and durability. Ideal for use with mops or automatic scrubbers.

- Deep cleans without rinsing.
- Leaves no dulling film or residue.
- Heavy duty concentrated formula.
- Concentrated for economical cleaning.
- Suitable for application via a bucket and mop or scrubber dryer/carpet machines.

CASE SIZE - 2X5 L

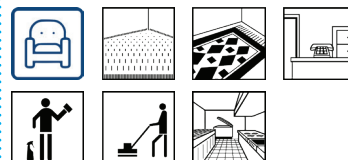

Klorimax™ Carpet Cleaner

CPCC-5L-IN

Klorimax™ Carpet Cleaner & Degreaser is a powerful, eco-friendly, non-petroleum solution with citrus solvent and emulsifiers. It effectively removes coffee, tea, rust, blood, grease, and dirt stains, ensuring deep cleaning with minimal effort.

- Eco-friendly bio-based formula for safe cleaning.
- Removes tough stains like coffee, tea, rust, and grease.
- Works on multiple surfaces including: carpets, glass, and metal.
- Low usage, quick action with minimal dwell time.
- Also ideal for industrial cleaning, including oil field rigs and oil stains.

CASE SIZE - 2X5 L

KLORIMAX™

Make the Right Impression

**Maldors create an unclean
impression—eliminate them at the
source with a powerful bioactive
blend.**

CASE SIZE - 2X5 L

Klorimax™ Toilet Cleaner & Disinfectant

KC6-5L-IN

An advanced, high-active, multi-action acidic toilet cleaner with strong descaling properties. Removes tough stains, limescale, and mineral deposits while being safe for washroom surfaces.

- Thick formula clings to surfaces for deep cleaning and stain removal
- Removes limescale, mineral deposits, and body fat buildup
- Disinfects and eliminates harmful microbes for a hygienic toilet
- Deodorizing formula leaves a fresh, odor-free washroom
- Safe for porcelain, ceramic, stainless steel, and chrome surfaces

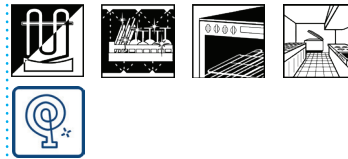

CASE SIZE - 2X5 L

Klorimax™ Descaler

KC-DSCX-5L-IN

KC-DSC is a safe, high-performance descaler that effectively removes limescale and mineral deposits from catering equipment and dishwashers without damaging surfaces.

- Removes hard water limescale and deposits
- Ideal for dishwashers, kettles, and water-based appliances
- Extends the life of catering equipment
- Safe for stainless steel and chrome surfaces
- Acid-free formula for effective and gentle descaling

CASE SIZE - 2X5 L

Klorimax™ Floor Cleaner Concentrate

KC7-5L-IN

KC-7 is a pH-neutral, ultra-low foaming floor cleaner for daily use in automatic scrubbers and mop buckets. Its rinse-free formula removes dirt without stripping finish or dulling gloss, making it ideal for high-traffic areas such as in healthcare facilities. Safe for hard and soft water on most surfaces.

- Concentrated formula ensures effective cleaning at a lower cost
- Powerful performance on foot traffic soil while being safe for all finished floors
- Rinse-free formula removes soil without leaving film or haze
- Ultra-low foaming enhances auto scrubber efficiency
- Ideal for high-traffic areas, including healthcare facilities

CASE SIZE - 2X5 L

Klorimax™ Bathroom Cleaner & Disinfectant

KC1-5L-IN

Klorimax™ KC-1 cleans, deodorizes, and disinfects bathrooms and high-touch surfaces. It removes dirt, kills germs, and is safe for tiles, sinks, bathtubs, fixtures, and floors. Free from abrasives and bleach, it's ideal for hospitals, schools, and commercial spaces.

- Kills 99.999% of common bacteria, including MRSA
- Safe for most bathroom fixtures, fittings, and hard surfaces without staining grout or chrome
- Removes watermarks and general soiling
- Cuts through tideline scum and body fat residue
- Ideal for cleaning sinks, basins, showers, and baths

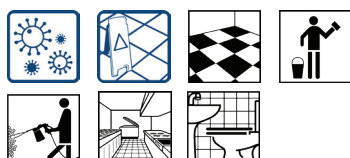

CASE SIZE - 2X5 L

Klorimax™ Cleaner Cum Sanitizer

KLMX-CCS-5L-IN

Klorimax™ Cleaner Cum Sanitizer is a fragrance-free, multi-purpose cleaner for washrooms, hard surfaces, and food prep areas, ensuring thorough cleaning and hygiene.

- Dual-action formula removes grease and tough stains
- Fragrance-free and safe for food prep areas
- Effective against bacteria and enveloped viruses
- Safe for bathroom fixtures, grout, and chrome
- Removes watermarks, tideline scum, and body fat residue

KLORIMAX™

Clean with Confidence

**A Spotless Shine, Less Scrubbing,
Greater Satisfaction."**

Klorimax™ Rinse Ultra-RA5

KD-RA5-5L-IN

A high-performance solid rinse additive for dishwash and glasswash machines, ensuring faster drying and spotless, streak-free shine. Compatible with china, glass, and stainless steel, it delivers best-in-class cleaning results across various water conditions.

- Ensures sparkling, streak-free crockery, cutlery, and glassware.
- Low-foam formula for smooth operation in dishwash and glasswash machines.
- Works effectively in both soft and hard water conditions.
- Designed for use with automatic dosing systems or integral dosing pumps.
- One-pass cleaning reduces water, energy, and detergent consumption.

CASE SIZE - 2X5 L

Klorimax™ KD-1.1 Heavy Duty Enzymatic Detergent

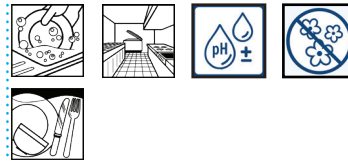

KD1.1-5L-IN

A heavy-duty, enzyme-fortified dishwashing concentrate for manual cleaning of pots, pans, crockery, glassware, and kitchen utensils, it delivers best-in-class cleaning results across various water conditions.

- Cuts through grease and baked-on soils with minimal scrubbing
- Long-lasting suds ensure extended cleaning performance
- Tough on grime, gentle on hands for comfortable use
- Ideal for 3-compartment sinks, efficiently cleans pots, pans, and kitchenware
- Versatile and economical, suitable for all kitchen surfaces including glassware, cutlery, and worktops

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

Klorimax™ KD ADW-Ultra

KD-ADW9-5L-IN

A heavy-duty enzymatic auto dishwashing detergent with a built-in rinse aid, delivering a one-pass cleaning solution while lowering energy consumption.

- Powerful cleaning action removes residues and buildup on aluminum items.
- Specialist inhibitors prevent corrosion & scale spots on pans, saucepans, glassware and trays.
- Effectively removes grease, starch, and protein food soils.
- Works in all water conditions, ensuring consistent performance.
- Eco-friendly formula (NTA, EDTA, phosphate, and chlorine-free) with compatibility for automatic dosing systems.
- Delivers spotless results in a single wash, reducing the need for rewashing

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

Klorimax™ KD-E.1 Light Duty Enzymatic Detergent Dish Wash

KD-E1-5L-IN

A mild, odourless, pH-neutral detergent designed for everyday manual dishwashing and general cleaning.

- Gentle yet effective for crockery, glassware, cutlery, and kitchen utensils
- pH-neutral formula (10% active) ensures safe daily use
- Ideal for stainless steel utensils, equipment, and worktops
- Versatile cleaner for floors, walls, tiles, and vehicles
- Removes grease and residue effortlessly, leaving surfaces spotless

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

Klorimax™ Oven and Grill Cleaner

KD-OVCL4.1-5L-IN

KD-4.1 is a high-performance clinging degreaser that breaks down grease and carbon buildup on vertical and horizontal surfaces. Its eco-friendly surfactants and microbes ensure deep cleaning for ovens, grills, and kitchen equipment.

- Effective on ovens, grills, stove hoods, vents, and broilers
- Quickly removes tough, burnt-on and baked-on grease
- Clinging gel formula ensures full surface contact on vertical surfaces
- Eco-friendly surfactants and microbes provide deep cleaning
- Ideal for commercial kitchens and food service equipment

CASE SIZE - 2X5 L

Klorimax™ Multi-Quat Sanitizer

KD-QST-5L-IN

Multi-Quat Sanitizer is a no-rinse quaternary ammonium sanitizer designed for three-compartment sinks and food contact surfaces. It effectively sanitizes utensils, dishes, and equipment, ensuring hygiene and safety in commercial kitchens.

- Delivers quality results for energy-efficient warewashing
- One-pass cleaning saves time and reduces costs in machine and manual wash
- Food-safe sanitizer effective against various microorganisms
- Low-alcohol formula enhances worker safety
- Versatile use on food contact surfaces, gloves, and equipment

CASE SIZE - 2X5 L

A professional kitchen with stainless steel counters, carts, and ceiling-mounted cleaning equipment. The ceiling features long fluorescent light fixtures and several orange and white cleaning devices suspended from the ceiling. The kitchen is clean and organized, with various pieces of equipment and carts visible.

KLORIMAX™

Keep Your Kitchen Running Smoothly

**High-performance cleaning and
sanitizing solutions backed by
unmatched service.**

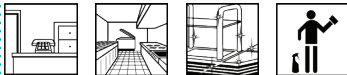

CASE SIZE - 2X5 L

Klorimax™ Stainless Steel Polish

SSPCL-5L-IN

Klorimax™ Stainless Steel Polish cleans, protects, and enhances stainless steel surfaces, leaving a streak-free, bright finish. Ideal for appliances, equipment, lifts, and railings, it repels grease and water for lasting shine.

- Protects surfaces and extends equipment life.
- Leaves a smooth, lustrous finish without streaks.
- Non-perfumed, ensuring no residual odor.

CASE SIZE - 2X5 L

Klorimax™ Grease/Drain Trap Manager

GTM-5L-IN

Grease/Drain Trap Manager simplifies grease interceptor maintenance by breaking down grease buildup with beneficial microorganisms. It helps prevent drain blockages, excessive pumping, and odors, ensuring smooth kitchen operations with minimal effort.

- Fast and effective grease interceptor maintenance.
- Long-lasting microbial action reduces grease buildup.
- Continuously degrades fat, oil, grease, and food waste.
- Prevents drain blockages and maintains clean effluent lines.
- Controls odors by breaking down odor-causing compounds.

CASE SIZE - 2X5 L

Klorimax™ Multi-Quat Sanitizer

QST-5L-IN

Multi-Quat Sanitizer is a no-rinse quaternary ammonium sanitizer designed for three-compartment sinks and food contact surfaces. It effectively sanitizes utensils, dishes, and equipment, ensuring hygiene and safety in commercial kitchens.

- Delivers quality results for energy-efficient warewashing
- One-pass cleaning saves time and reduces costs in machine and manual wash
- Food-safe sanitizer effective against various microorganisms
- Low-alcohol formula enhances worker safety
- Versatile use on food contact surfaces, gloves, and equipment

KLORIMAX™

Low temperature wash

Achieve Unmatched Results with
Biological Chemistry – Clean, Fresh,
and Sparkling White Linen, Even at
Low Temps, While Cutting Operating
Costs.

Klorimax™ Biological Laundry Detergent

TGTSWP-5L-IN

TargetSwipe is a biological detergent offering powerful performance on a wide variety of stains and soils. Its advanced formula works effectively in all water conditions and delivers excellent results even at low temperatures.

- Cold wash suitable for energy-efficient cleaning.
- Effectively removes stubborn protein stains and soils.
- Helps maintain fabric integrity for long-lasting wear.
- Economical formula ensures cost-effective usage.
- Compatible with auto-dosing pump systems for precise application.

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

Klorimax™ Concentrated Laundry Fabric Conditioner

SFT-5L-IN

KMax Soft is a biological fabric conditioner that maintains color strength, keeps fabrics looking new longer, enhances softness, reduces static, and provides long-lasting freshness.

- Long-lasting premium fragrance.
- Enhances softness and freshness.
- Reduces creases and static.
- Preserves fabric smoothness and color.
- Works in all water conditions.
- Auto-dosing compatible.

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

Klorimax™ Hypo Chlorinated Bleach

HYPOCL-5L-IN

Klorimax KMax Hypo is a phosphate-free, stabilized chlorine bleach for white linens. It effectively removes stains and brightens fabrics, performing best above 45°C. Not for use as a laundry sanitizer.

- Keeps linens bright white consistently.
- Powerful bleaching while preserving fabric strength.
- Fast stain removal with concentrated formula.
- Restores natural whiteness, eliminating dullness.
- Liquid formula saves water and energy.

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

Klorimax™ Color Safe Oxy Bleach

HYPOXY-5L-IN

KMax Oxy Hypo is a concentrated, color-safe destainer that removes stains at low temperatures, preserves fabrics, and brightens linens without harsh bleach effects.

- Bleaching action starts at 30°C.
- Effectively removes all bleaching soiling.
- Safe for colored textiles.
- Works in all washing machines
- Removes stains in low-temperature washes.
- Compatible with auto-dosing systems.

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

Klorimax™ Laundry sanitiser

SANL-5L-IN

KMax Sanitiser is a multi-quat laundry disinfectant that sanitizes, softens, and refreshes linens, ensuring hygiene and freshness.

- Reduces cross-contamination in hospitals, schools, and industries
- Broad-spectrum biocide for effective sanitization.
- Deodorizing effect for fresh, hygienic linens.
- Softens fabrics while maintaining cleanliness.
- Low-foaming formula, ideal for auto-dosing.
- Works in all water conditions.

CASE SIZE - 2X5 L

Klorimax™ Pre Spotter

PST-5L-IN

KMax Pre-Spotter is a petro-solvent-free, heavy-duty stain remover for tough laundry stains like lipstick, blood, and ink. Its chelant-based formula ensures deep cleaning while extending linen life.

- Stain treatment & pre-spotter for tough stains.
- Removes makeup, ink, sunscreen, and protein stains.
- Chelant-based formula enhances stain removal and extends linen life.
- Ready-to-use with immediate action.
- Petro-solvent-free for safer application.

CASE SIZE - 2X5 L

A high-angle, close-up photograph of a swimming pool. The water is a vibrant, clear blue. A curved stainless steel railing runs along the edge of the pool, reflecting the light. The pool deck is made of light-colored, square tiles with a dark blue border. The overall scene is clean and modern.

KLORIMAX™

Sparkling Waters, Every Time

Nothing says 'welcome' like a crystal-clear pool or spa—effortlessly clean and always ready for your next splash.

WALL

**Klorimax™ AlgaeClear
2125 BP**

WC-ALG2125

TargetSwipe is a biological detergent offering powerful performance on a wide variety of stains and soils. Its advanced formula works effectively in all water conditions and delivers excellent results even at low temperatures.

- Cold wash suitable for energy-efficient cleaning.
- Effectively removes stubborn protein stains and soils.
- Helps maintain fabric integrity for long-lasting wear.
- Economical formula ensures cost-effective usage.
- Compatible with auto-dosing pump systems for precise application.

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

**Klorimax™ STABILISED
GRANULAR POOL
CHLORINE TCCA90**

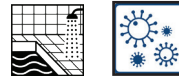

WC-CL90

TCCA 90 Granular is a stable, high-strength chlorine for pools, ensuring long-lasting disinfection by eliminating bacteria, algae, and contaminants while keeping water clear.

- 90% Available Chlorine – Ensures strong and effective disinfection.
- Slow Dissolving Formula – Provides long-lasting chlorine release.
- Algae & Bacteria Control – Keeps water hygienic and clear.
- Sunlight Stability – Minimizes chlorine loss and wastage.
- Easy & Efficient Use – Ideal for regular pool maintenance.

CASE SIZE - 2X5 Kg

Also Available In - 50 Kg

**Klorimax™ Pool
Clarifier 4750**

WC-FL47

Klorimax™ KFL 4750 is an advanced pool clarifier quickly restore sparkle and clarity to dull, hazy or cloudy pool water and improve filter efficiency with this dual-action pool clarifier formula.

- Removes dead algae & organic debris
- Improves filter efficiency & won't affect pH levels
- Our pool clarifier is compatible with all swimming pools

CASE SIZE - 2X5 L

Also Available In - 20, 50 L

**Klorimax™ CLOR
GRANULAR CHLORINE**

WC-CL65

Klorimax Cal Hypo Granular is a fast-acting, economical chlorine treatment that instantly kills algae and bacteria. Ideal for daily use or shock treatment, it ensures clean water while being stabilizer-free to prevent chlorine lock.

- Granular chlorine that shocks and sanitizes at the same time
- Kills bacteria and algae
- Softens, clarifies and prevents stain and scale
- Visibly sparkling blue water in 24 hours
- Stabiliser Free

CASE SIZE - 2X5 Kg

Also Available In - 45 Kg

**Klorimax™ Acti pH
Increaser**

WC-PHP01

Klorimax™ Acti pH Increaser quickly balances acidic pool or spa water, effectively raising pH levels for optimal water quality. Safe for all pool and spa linings, it ensures a comfortable and well-maintained swimming environment.

- Instantly raises pH levels
- Used to increase pH in swimming pools or spas when water is too acidic.
- Fast dissolving
- Safe to use with all pool linings

CASE SIZE - 2X5 Kg

Also Available In - 10, 25 Kg

**Klorimax™ Acti pH
decreaser**

WC-PHM01

Klorimax™ Acti pH Decreaser quickly lowers pH and total alkalinity, ensuring safer handling than liquid acids. It enhances chlorine efficiency, reduces chlorinator runtime, and prevents scaling and staining.

- Powerful pH control
- Zero residue - doesn't cloud pool or spa water
- Works instantly

CASE SIZE - 2X5 L

Also Available In - 20, 50 L
